Main areas

- Tax business clients

Background

Adrián Parla completed his degree in Business Administration at the University of Valencia in 2021.

He started working as an accountant for a private company and shortly afterwards moved into the field of business consulting. He gained experience as an accountant and tax clerk in national companies, both corporate and self-employed, taking care of day-to-day accounting as well as tax returns, account reconciliations and grant applications.

Expertise

Adrián Parla has been part of our accounting team since 2024. He is responsible for corporate accounting, tax returns and providing clients with accounting and tax advice.

Languages

Spanish, English
