Background

Anna Specht-Schampera has been a partner at SDZLEGAL SCHINDHELM since 2003. She is the head of the firm's department for public procurement law and waste management law. Since 2005, she works also in the Warsaw office.

From 1991 to 1996, she studied law at the University of Wrocław. In the years 1997-2000, she was a trainee attorney at law at the Wałbrzych Bar Association. Since 2001, she has been registered as an attorney-at-law with the Wałbrzych Bar Association.

From 2001 to 2002, she was a partner in an international law firm.

Anna Specht-Schampera is one of the founding members of the Public Procurement Law Association and the member of the Association's management board (Feb. 2017). She is also a member of Polish Association of Consultants in Public Procurement and a legal consultant of the Board of Regional Installations of Municipal Waste Treatment.

In 2016, 2017, 2018, 2019, 2020, 2021 and 2022 Anna Specht-Schampera was awarded by Chambers & Partners as a specialist in public procurement law.

In 2022 Anna Specht-Schampera received an individual recommendation in the prestigious ranking The Legal 500 Europe, Middle East & Africa in the category Public Procurement Law.

Expertise

Anna Specht-Schampera is registered as an attorney-at-law since 2001. She advises domestic and foreign companies on public procurement law and construction law. In the field of public procurement, she advises clients from the construction industry (road construction, railway construction, volume construction), also including project engineers and consultants, clients from the medical and waste management sector. She supports contractors in successful contract awards and contracting authorities primarily in the choice of the most suitable offer. She deals with issues of administrative law in connection with construction projects, including contracts with various investment partners.

She also supports clients in numerous investments in the area of waste management.

Another of Anna Specht-Schampera's focuses is arbitration proceedings, which play a central role in Poland.

She is a founding member of the Public Procurement Law Association and the member of the Association's management board. She is also a member of the board of Polish Association of Consultants in Public Procurement and a legal consultant of the Board of Regional Installations of Municipal Waste Treatment.

Anna Specht-Schampera gives speeches and regularly publishes articles, in particular on the topics indicated above. She is a permanent member of the industry magazine "Przetargi Publiczne" ("Public Tenders"). She also publishes articles for practitioners in specialist journals and industry newspapers in the area of public procurement, waste management, and municipal law.

Anna Specht-Schampera regularly gives seminars in Polish and German for clients and public institutions. She is also responsible for the German-language client newsletter.
